Thanks, Jenny.

I will have the materials loaded up, and do encourage a backup just in case. Commissioners will have copies of the slides as handouts prior to the agenda item.

Thanks again, and sorry I didn't get a chance to call you back – my machine cut off your phone number.

- Stephanie

Hi Stephanie,

As in my voicemail, I'm sending you EPA's presentation for the 2<sup>nd</sup> day of the EQC meeting on June 19. EPA's presentation is part of the 1:30pm section following presentations from Gene/Josh and ODFW's.

Tony Barber and John Palmer will be speaking for EPA. I understand that the ppt will be pre-loaded, but we'll bring it on a thumb drive in case. If there's anything else you need, please feel free to let us at EPA know.

Thanks,

Jenny
